

**CALL FOR PAPERS
12TH JAN TINBERGEN
EUROPEAN PEACE SCIENCE CONFERENCE
25-27 JUNE 2012**

We are pleased to announce that the 12th Jan Tinbergen European Peace Science Conference, annual meeting of **Network of European Peace Scientists, NEPS**, will take place on 25-27 June at the DIW Berlin, Department of Development and Security, Mohrenstr. 58, 10117 Berlin, Germany.

The Jan Tinbergen Conference is interdisciplinary. We welcome presentations that address any issue relating to peace and security broadly defined. As in the past, we strive for a multi-disciplinary program comprising contributions with a wide range of theoretical and methodological approaches, including strictly theoretical work, game theory and formal modeling, statistical and econometric analysis, qualitative studies, and experiments. Program and list of participants of previous editions are available at: www.europeanpeacescientists.org/jtinbergen.html

All abstracts (150-250 words) with tentative title submitted before **18 February 2012** will be considered for the conference. Proposals received after 18 February 2012 will only be considered if any presentation slots are still available.

PhD students are eligible for the **Stuart A. Bremer Award**. Eligible papers cannot be co-authored with a senior researcher. The winner is rewarded with a bursary to attend the conference of the Peace Science Society (International). If you are a PhD student, please mention your status.

List of previous winners is available at:
